# Inside the swanky new Hampton by Hilton hotel that's just opened at Bristol Airport

By [S. Prideaux](#) | Posted: February 22, 2017

A swanky new Hampton by Hilton [Hotel](#) has opened at Bristol Airport today, offering guests a slice of luxury before flying off on holiday.

Stepping into the new [hotel](#) guests will be greeted by a spacious reception desk, which leads seamlessly into a stylish bar area. There's also a work space for any visitors or guests wanting to use their laptop in a lounge-environment.

The 201-room hotel, the first to be based at the airport, is just 250 metres from the terminal making it the perfect location for airport passengers.

"More than seven and a half million passengers pass through the doors of Bristol Airport every year, and we're now offering travellers a convenient and great value accommodation option on its doorstep," said Simon Vincent, executive vice president and president, Europe, Middle East and Africa, Hilton. "This opening also marks an important landmark for us as one of the first hotels in our portfolio globally to be completed using an innovative modular construction technique – paving the way for further expansion in the UK and internationally."

Guests will include a free hot breakfast, and a 24-hour convenience hub with a selection of snacks and drinks. There is also Wi-Fi, two meeting rooms, a 24-hour fitness centre with contemporary cardio, resistance and weights equipment and a business centre.

"Hampton by Hilton Bristol Airport is our 50th Hampton property in Europe, Middle East and Africa, and marks our expansion in the region," said Phil Cordell, global head, focused service and Hampton by Hilton brand management. "We look forward to offering guests a relaxing and convenient place to stay, just steps away from Bristol Airport's main terminal."

Robert Sinclair, Chief Executive Officer, Bristol Airport said, "We are delighted to welcome the world-renowned Hampton by Hilton brand to Bristol Airport. The opening of a first on-site hotel is another statement of our ambition to be a world class regional airport serving the South West of the UK."
