Hampton by Hilton Makes a Landing by Aberdeen Airport

February 24, 2017

Hilton’s Hampton by Hilton brand today announced the opening of its newest property, Hampton by Hilton Aberdeen Airport. Located in the powerhouse of northeast Scotland, the 155 guest room hotel joins three Hilton properties in the city – DoubleTree by Hilton Aberdeen City Centre, DoubleTree by Hilton Aberdeen Treetops and Hilton Garden Inn Aberdeen City.

Hampton by Hilton Aberdeen Airport is Hilton’s first property built using modular technology. The hotel was constructed by manufacturing and assembling portions of the hotel, including guest rooms and hallways, off-site. They were then transported to the final location for assembly, allowing for consistent quality and an accelerated construction schedule.

“The opening of Hampton by Hilton Aberdeen Airport is part of the brand’s continual innovative expansion in aviation hubs and key markets,” said Phil Cordell, global head, focused service and Hampton by Hilton brand management. “We look forward to providing guests with a high quality accommodation option at a great value, before they continue with their onward journey”.

The hotel is located on the doorstep of Aberdeen International Airport, which connects to 50 destinations across Europe. The opening of the hotel marks another milestone in Hilton’s airport journey. Hilton pioneered the concept of the airport hotel, with the

opening of Hilton San Francisco in 1959 and now has almost 400 airport hotels worldwide.

“Aberdeen International Airport serves over three million passengers every year, is it gives us great pleasure to be able to provide guests with a comfortable stay and our friendly service,” said Sandra Brooks, general manager. “Guests can also enjoy easy access to the city centre, which is just 20 minutes away, and explore the many museums and attractions Aberdeen has to offer”.

For business travellers, Hampton by Hilton Aberdeen Airport is closely located to the newly developed D2 Business Park, and 12 km away from Aberdeen Exhibition and Conference centre. Guests can also enjoy the beautiful coastline of cliffs and beaches in Aberdeen, the Maritime Museum and spend time on royal grounds at Balmoral Castle.

Hampton by Hilton Aberdeen Airport offers guests the brand’s signature hot breakfast included with all rates, and a 24-hour convenience hub with a selection of snacks and drinks for purchase. Guests can also take advantage of the 24/7 fitness room and free Wi-Fi. Each guestroom features high quality amenities, including a flat panel HDTV and complimentary coffee and tea.

Hampton by Hilton Aberdeen Airport is part of Hilton Honors, the award-winning guest loyalty program for Hilton’s 14 distinct hotel brands. Hilton Honors members who book directly through preferred Hilton channels save time and money and gain instant access to the benefits they care about most, such as an exclusive member discount, free Wi-Fi and a flexible payment slider that allows members to choose nearly any combination of Points and money to book a stay.
