## First look inside Bristol Airport's new Hampton by Hilton hotel

By [David Clensy](#) | Posted: February 07, 2017

The Bristol Post has been given the first opportunity to look inside Bristol Airport's new 201-bedroom [hotel](#).

The luxury Hampton by Hilton hotel is the airport's first hotel, offering incoming visitors to the region and local families and [business](#) people who are faced with an early morning flight, an ideal stopping off point just two minutes' walk from the departure lounge.
