New Hampton Inn opens in Wentzville (Photos)

Midas Hospitality said it has completed a new Hampton Inn St. Louis in Wentzville. The \$12 million, 64,000-square-foot project, at 150 Wentzville Bluffs Drive, has 109 rooms and suites.

Midas Hospitality's sister company, MC Hotel Construction, built the hotel, but Midas will manage it. The construction company broke ground on the project in May 2016.

The newly constructed hotel features a fitness center, an indoor pool, meeting rooms and backyard seating areas with a grill and gazebo.

The hotel is located in a new development called Wentzville Bluffs, where you'll find establishments such as the B&B Wentzville movie theatre, Planet Fitness, Stone Summit Steak House and Hot Shots Sports Bar within walking distance of the hotel.

“Wentzville is a growing area, and we are excited to be a part of this vibrant community,” Midas Hospitality President [Rob Willard](#) said in a statement.

Midas is currently working on several other hotel projects, including a new Residence Inn/Fairfield Inn & Suites at Westport, which is scheduled to be completed in the summer.

The company also is working on a Residence Inn/Courtyard by Marriott, to be located at 12815 Daylight Drive, and a Hampton Inn by Hilton in Sikeston, Missouri.

MC Hotel Construction was [named a Fastest Growing Company](#) in the *St. Louis Business Journal* in 2016, with \$17 million in revenue in 2015.
