Hampton by Hilton recently recognized Hampton Inn Seymour with a Lighthouse Award.

The award signifies the hotel as one of the top performing properties within the brand, according to a news release from Sprague Hotel Developers. It is presented to hotels that have excelled in service and growing customer loyalty.

Winners are based on year-to-date 2016 data collected through guest surveys and the Hilton Quality Assurance Inspection scores.

The award is given to the top 5 percent of Hampton Inns in the Americas. The property also will receive a brand trophy to display in its lobby.

Hampton Inn Seymour is owned and operated by Janeen M. Sprague and Sprague Hotel Developers. The general manager is Cabel Hall.
